

The Florida Department of Health invites our **COMMUNITY PARTNERS** to join us for:

Exploring Local Health Data with FLHealthCHARTS

In this webinar you will:

- Learn to find local health data using FLHealthCHARTS
- Explore ways to tailor data searches and display results
- Acquire tools to enhance community health assessments & grants

Date & Time: **November 8, 2018 10:00 am – 11:30 am**

Register: <https://attendee.gotowebinar.com/register/5767884461826901505>

After registering, you will receive a confirmation email containing information about joining the webinar.

Please share this invitation with others who may be interested.
Contact the FLHealthCHARTS Team at CHARTS@flhealth.gov with any questions.
This webinar will be recorded for future viewing.
